Children's Education:

We have started supporting school going as well as irregular school going children in addition to our normal programme for the children with the objective of reducing the drop out rate due to poverty. We contacted some schools through our staff and identified the needy girl child. We provided educational kits (Scale, Pencil, Crayon, Drawing copy, sharpener, Eraser, Pen, Geometry Box, Pencil Box, Books, Guide Books, Test Papers, Note books, School Bag including copies for handwriting in Oriya as well as in English. The works started in 16 schools and covering 219 children including two minority schools where the need was most urgent. Out of 219 children 10 are boys and 209 are girls from Class I to Class X i.e. 6 to 15 years age group. By March it has been expanded to 21 schools touched 316 children. Out of which 10 are boys and 306 are girls and covered 3 blocks namely, Bangriposi, Kuliana and Baripada. Other than that we have also covered 8 schools under Baripada Municipality.

We are in the process of forming school education committee in every village consisting of two representatives from Self Help Groups and individuals interested in Education. We are getting good response from the students as well as parents. The names of the school as well as the details of the students are given in the tabular form.

Difficulties encountered:

We had submitted an application completed in all respects to the Commissioner cum Secretary, Women and Child Development Department of Government of Orissa on 24 th August, 2010 as an advance copy in order to avoid the delay and the second copy was routed through the District Social Welfare Officer, Mayurbhanj, through proper channel for Grant of Certificate of recognition of a Home, Form-I, See Rule 11 as per their notification in the Orissa gazette, No.2146 dated November 22, 2002.

In spite of several requests and reminders nothing had happened with the State Government we had no alternative except to move it to the Government of India. We brought out the issue of non issuance of certificate of Recognition of a Home during the National Annual; Meet of Adoption on Thursday, 24 th March, 2011 in the open house discussion. The Secretary, Ministry of Women and Child Development, Government of India had kindly consented to take up the matter with Government of Orissa.

Mr. Sudhir Kumar, Additional Secretary, Ministry of Women and Child Development, Government of India, had written " We are writing to Government of Orissa for early decision, without registration you should not admit children" on 29 th March, 2011. We have not admitted any child after 29th March and it is continuing as on today.

In between the Additional Secretary, Ministry of Women & Child Development, Government of India, had written a letter No.14-21/2011-CW.II dated 28.03.2011 to the Commissioner cum Secretary Ms. Arati Ahuja to look in to for early decision as per the rules and also suggested "The children may be shifted to some registered home in the intervening period till decision is taken by you on the application of the society."

We received the mail on Tuesday, 5.4.2011 and shifted the children (three) to a Recognised Home on Wednesday, April 6, 2011 and rest 11 children were sent back to their biological father or biological mother or nearest relations or guardians by 1 st October, 2011 and reported the matter to the authorities as required under law. Needless to mention that, no action has been taken with regard to issuance of certificate of recognition as on 31 st March, 2012. Interestingly we have not been refused either.
